ITS Asia-Pacific BOD members

10th ASIA-PACIFIC INTELLIGENT TRANSPORT SYSTEMS (ITS) FORUM 2009 – Hosting City Candidates

On behalf of the Chair of ITS Asia-Pacific, ITS Japan is pleased to announce that the following cities have expressed their intention to host the 10th Asia-Pacific Intelligent Transport Systems (ITS) Forum to be held in 2009:

Auckland, New Zealand

Brisbane, Australia

Bangkok, Thailand

As part of the selection process to appoint the Hosting City, we would like to request the representatives from these cities to make a presentation at the ITS Asia-Pacific BOD meeting in Melbourne, Australia on 13 August, 2007.

Please note that each city representative will be allocated twenty minutes to complete the presentation which will be followed by a Q & A session of ten minutes.

The presentation should address the following areas.

1. Merits of Hosting the Event
2. Proposed Date and Venue
3. Estimated Scale of Event
4. Schedule of Preparation Work
5. Organizing Body and Financing Plan

Please feel free to contact ITS Japan for any clarifications.

We look forward to seeing you in Melbourne.

Thank you for your cooperation.

Best Regards.
